Chair's Report (Alessandro Russo):

It has been a wonderful year, and it was awesome to be able to represent you as Chair of Staff Council. We were still able to hold our regular events this year, and I was able to speak for staff concerns on Academic Senate.

Please consider nominating yourself for \_\_\_\_\_ positions that are open.

Vice Chair's Report (Ann Kinsey):

Will be running multiple elections today if quorum is met including the Staff Council Exec.

We had a jump in COVID 19 cases, about 140—bulk of these are students. We do not know if there are serious cases, that depends on if folks are reporting. Cases up, but hospitalizations and deaths have not followed suit

We have been tracking the negative effects of distance learning, and seeing problems with attendance and watching the persistence rate for first years and transfers to the next year is lacking. Not having face to face interactions with other students, faculty & staff may have impacted their ability to feel a part of the community at CSULB and this concerns me

Commencement is next week at Angel’s Stadium and there will be 7 ceremonies

Q: Will telecommuting proceed in Fall 2022?

A: HR is still working on a telecommuting policy at the moment
