that time period and to carry the opportunity farther. Please contact Terry Geiling to get in touch with the communications team, and contact information for SCAN partners will be going out via email.

The search is ongoing for the Archstone Endowed Chair on Aging position. Semi-finalist interviews are currently being scheduled. \$3 million has been committed to support the Endowed Chair position. The position will ideally start in January.

The college is still researching ways to reduce faculty workload. Ideas include sharing

There was brief discussion about the InfoReady system. It was noted that any application submitted through the InfoReady system will be routed to the Department Chairs/School Directors for approval, when necessary.

VIII. Lottery Application "in action" (*InfoReady*)

There were a few questions regarding the Lottery application via the InfoReady system. It was noted that the Department Chair/School Director will enter the rank when proposals are reviewed, however if you have previously discussed this with your chair/director, you may enter the rank at the time of proposal submission.

IX. The meeting was adjourned at 12:25 pm
