Leave Eligibility and

To be eligible for a Difference-In-Pay Leave, an applicant must be a full-time faculty member or librarian who has served fulltime on this campus for at least six (6) years in the preceding seven (7) year period prior to the leave or *three years* since the last Sabbatical Leave or Difference Pay-Leave.

For non-tenured faculty, the CBA provides that non-tenured fulltime faculty members (including full lecturers) may be eligible for Sabbatical and/or Difference Pay Leave. However, before such a leave may be awarded there must be a prior commitment by the College that the employee will be offered subsequent appointment to the University of sufficient duration to fulfill the Sabbatical or Difference leave return service obligation.

Sabbatical and Difference Pay Leave applications submitted by non-tenured faculty members should be submitted to the Director of Human Resources.
