**PK-3 Early Childhood Education Specialist
Instruction Credential Program**

(This new credential was approved by the CSULB Academic Senate on May 2, 2024, and
approved by the President on May 24, 2024.)

PK-3 Early Childhood Education Specialist Instruction Credential Program (ECECP)

The PK-3 ECECP is a 46-unit program. Teacher Candidates complete program prerequisites (and
may take any or all corequisites) and demonstrate subject matter competence when applying to the
program. Candidates complete all five subject-specific pedagogy courses with a "B" or better when
applying to Student Teaching. Candidates who may seek additional subject-specific content
support, such as in math or science, will be provided with a list of recommended content courses.

Requirements for Admission to Credential Program

1. Possession of a bachelor's degree or higher from a regionally accredited institution of

5.

Student Teaching (16 units)

Students enroll in two sections of the student teaching course, for a total of 16 units.
