

# In Memoriam: Dr. Kenneth L. Marsi

December 1, 1922 - December 22, 2022

Dr. Kenneth L. Marsi, a distinguished leader in the field of pediatric dentistry, passed away on December 22, 2022, at the age of 99. He was born on December 1, 1922, in Chicago, Illinois. Dr. Marsi was a member of the American Academy of Pediatric Dentistry and the American Dental Association. He was a devoted husband and father, and he is survived by his wife, Mary, and several children. He was a man of great integrity, kindness, and a deep sense of duty. His contributions to the field of pediatric dentistry will be remembered and cherished by all who knew him.

Photo by Bob Freiligh

Dr. Marsi was a dedicated professional and a caring individual. He was known for his expertise in pediatric dentistry and his commitment to providing the highest quality of care for his patients. He was a mentor to many young dentists and a source of inspiration for his colleagues. His passing is a significant loss to the dental community and his family. He will be missed, but his legacy will live on through the lives of those he touched and the work he did for the betterment of his profession.

Dr. Marsi was a man of great faith and a deep sense of purpose. He was a devoted member of his church and a active participant in his community. He was a man of great integrity and a deep sense of duty. His passing is a significant loss to the dental community and his family. He will be missed, but his legacy will live on through the lives of those he touched and the work he did for the betterment of his profession.
