

Hi,

In collaboration with ID Card Services and in preparing things for your move in, we need your assistance.

ID Card Services will be pre-printing all housing student's campus ID cards for us to pick up and issue at your move in day (more details to come in future emails). ID Card Services is requiring photos for the ID Cards to be printed. So, you will need to submit a photo to <https://www.csulb.edu/49er-shops-at-the-beach/get-your-id>. All you will need to do is submit the required photo to the above link. You will NOT need to pick them up. Housing & Residential Life will have them for you o Your ID Card will be your meal card and important you have the most up to date card issued.

Must be in by Friday July 30th Noon. Without photos submitted for your ID card, move in process.

on the ID Card services website, please contact them at IDCard@csulb.edu

REMINDER: More information about Move In Days will be sent in a future email, or visit the [CSULB Housing Website](#) and click on the Move-
