/Ed Zs/ tDZ WOEL MARSPINA is a board-certified Clinical Specialist Pediatric Physical Therapy. She is Senior Clinician at Children's Hospital of Orange County, caring for pre-term and term infants with medical complexities in their young lives as well as young children diagnosed with cancer. She finds time somehow to also work at California State University Long Beach. Thank you very much for being here.

validation and respect. And I think being a clinician and being able to see your clients and

Z X E K > D WZ/W Well, it certainly didn't start waking up thinking, let's try a mobile
>earning class. This whole transition to an online platform was forced discovery I would call
it U and when this semester came about, I knew what I had done in the past needed to be
elevated. It's one of my favorites. It's one of my favorite words. >] I š Z community around
you, learn from them and elevate your game. So, when Covid first hit and had to do an
online transition you know learning how to do a Camtasia voiceover entertaining video was
cutting edge technology for me. d Zr AE š • u CE š o CE } μ v v š Z š i μ • š Á • v [š < μ]
