

_____ The paper will follow the writing format and the use of English grammar recommendations of the APA 5th edition manual. All papers must be written double-spaced using 12 point Times New Roman font with 1" margin from all sides.

_____ : In order to work for a higher grade and with the instructor's feedback, you are allowed to make one revision to your paper. The revised paper must be submitted on the Task Stream by the due date. Ten percent of the project's total points will be deducted if the paper is not submitted on due dates (for both the first and the final draft), unless the date for late submission is negotiated with the instructor.

_____ : The rubric will be introduced in the class and periodically revisited before the final submission of the paper. The rubric is posted on the course TaskStream site and the course Beachboard site (under the assignment section). "Group pages" will be created on the course Beachboard for your group. You are required to participate in your group page (interacting with your group members, sharing resources etc.) to receive Beachboard participation points.

Click on "Add/Edit Work" on the right side of your TaskStream screen.
